- Silver Business Intelligence
- Silver Server Platform

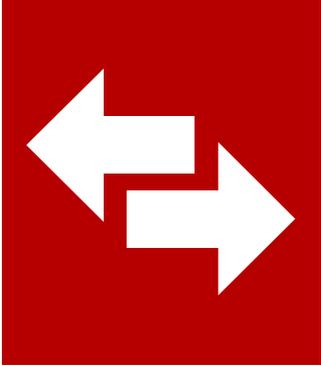

1100+ Staff working from 15 offices in 8 countries.

Worked with **Over 200** customers from small to large public and private sector companies across regions

Why Switch to Social?

Faster, Better Output

“Executives and managers using internal social technologies can raise their productivity by 20 to 25 percent.”

(McKinsey Global Institute)

More Efficient

“Workplace distraction can cost businesses \$600 billion a year. Connect remotely to a more focused work environment 24/7.”

(Telework Research Network)

A Hub of Connections and Solutions

The past was static content. Today, it's a breathing, thriving network fueled by human collaboration with people and ideas at every corner, accessible anytime - and from anywhere.

ADVANTAGE

SharePoint 2013 Social Advantage

Micro-blogging

Share content, links and media quickly. Follow people, posts, content and conversations.

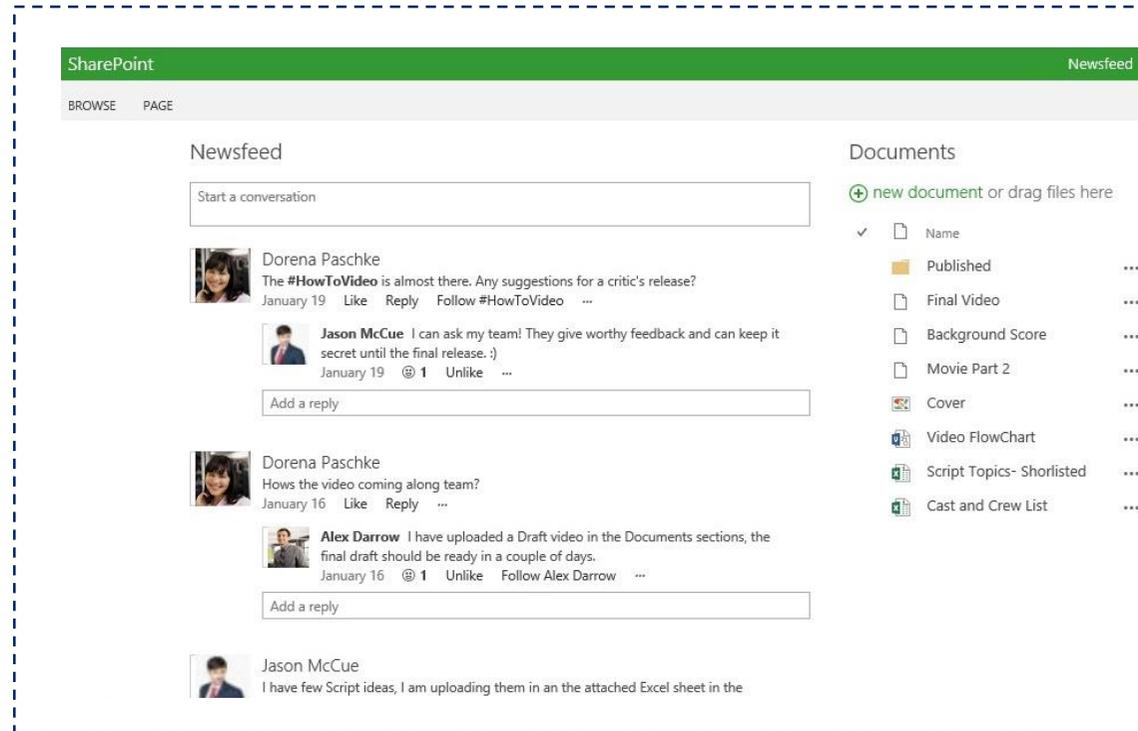

Discussion

SharePoint provides a modern, intuitive and fun, threaded discussion tool.

Communities

Community sites with self-service administration and moderation.

The screenshot displays the SharePoint Newsfeed interface. At the top, there is a green header with 'SharePoint' and 'Newsfeed'. Below the header, there are navigation tabs for 'BROWSE' and 'PAGE'. The main content area is divided into two columns: 'Newsfeed' and 'Documents'.

Newsfeed:

- A search bar with the placeholder text 'Start a conversation'.
- A post by Dorena Paschke: 'The #HowToVideo is almost there. Any suggestions for a critic's release?' (January 19). Actions: Like, Reply, Follow #HowToVideo.
- A post by Jason McCue: 'I can ask my team! They give worthy feedback and can keep it secret until the final release. :)' (January 19). Actions: @ 1, Unlike.
- A post by Dorena Paschke: 'How's the video coming along team?' (January 16). Actions: Like, Reply.
- A post by Alex Darrow: 'I have uploaded a Draft video in the Documents sections, the final draft should be ready in a couple of days.' (January 16). Actions: @ 1, Unlike, Follow Alex Darrow.
- A post by Jason McCue: 'I have few Script ideas, I am uploading them in an the attached Excel sheet in the'.

Documents:

- A button to '+ new document or drag files here'.
- A list of documents: Name, Published, Final Video, Background Score, Movie Part 2, Cover, Video FlowChart, Script Topics- Shorlisted, Cast and Crew List.

President

To help the onboarding process we plan to develop a series of "#HOW-TO" videos. Any volunteers / suggestions ?

I have directed a couple of short films, I can pitch in.

I have been participating in school plays and I have drama skills 😊

Hmmm, topic suggestion - How to apply for a leave?

I know the process in and out...

Lets take the discussion private.

I shared a document- scripts, storyline and how to do it, etc...

Look at this picture - we can use this as a poster...

I'll update the dialogues...

Edited version of the movie...

Looks awesome!
